Response to Rule 312 Communication	Application No.	Applicant(s)	
	09/905,513	KHOLODENKO, ARNOLD	
	Examiner	Art Unit	
	Lois Zheng	1742	

– The MAILING DATE of this communication appears on the cover sheet with the correspondence address –

1. ☒ The amendment filed on 18 August 2004 under 37 CFR 1.312 has been considered, and has been:

- a) ☐ entered.
- b) ☐ entered as directed to matters of form not affecting the scope of the invention.
- c) ☐ disapproved because the amendment was filed after the payment of the issue fee.
 Any amendment filed after the date the issue fee is paid must be accompanied by a petition under 37 CFR 1.313(c)(1) and the required fee to withdraw the application from issue.
- d) ☐ disapproved. See explanation below.
- e) ☒ entered in part. See explanation below.

Amended claims 7, 12, 19, 21, 46-48 are entered.

Amended claims 49-50 are NOT entered because the change from "contact pads" to "conductive pads" is not supported in the original claims. Claims 49-50 depend on the independent claim 11. Claim 11 does not provide antecedent basis for the amended "conductive pads" in claims 49-50.
